Tori Hobbs posted:

You always had a smile. I love how you always chuckled...at the good and bad. You always hid a jar of salsa for us that we could take home. You loved life and always had an adventure that you were looking forward to, big or small. My New Year's Eve party buddy. I do wish we could have done more karaoke together. I know you had a village to meet you in heaven, but you are loved and will be missed.
