Cheryl was a beautiful soul, I just loved going to Atlanta and seeing her at the office. I am so sad to hear the news that she has passed but I know she's not suffering anymore. Cheryl will be sorely missed by everyone and the world got a little less "bright" because she's not in it. She just had a way of making you feel "heard" and "seen" with much compassion and concern. She had a "can do" attitude always and I never ever saw her flustered. To her family I know you are feeling the loss of this beautiful soul and I am praying for you all for peace and comfort during this very difficult time. Cheryl you were a shining light in this world of so much darkness at times and will be sorely missed by me and everyone that knew you. Thinking of Chapman family.....Sharon Walker

As I sit here, reminiscing about our shared memories with Cheryl, a flood of emotions washes over me. It is with a heavy heart that I write this message to honor her beautiful soul and the indelible mark she left on many lives. Cheryl's departure has left a void, but her strength and nurturing nature continue to inspire us all. Cheryl was a pillar of our team. Her resilience was simply awe-inspiring. But it wasn't just her strength that touched our hearts; it was her caring nature that truly made her special. She was always there to lend a listening ear, to offer words of encouragement, and to provide a comforting shoulder to lean on. Cheryl took care of everyone on the team with a love that knew no limits. May you rest in peace, dear Cheryl. Until we meet again. With love and cherished memories. Marija and family

Cheryl was such a bright light and source of happiness and joy to be around. She spoke her mind and didn't care who knew it, but Cheryl always went out of her way to be kind and supportive. You will be missed, and I hope you know how much we valued, respected, and appreciated you!
