Brit (and Debbie) was the most selfless person I know, especially to me, who was a stranger to them. They came along side of me and helped me get through a difficult time but more than that, they did so much of the work that needed to be done when my sister was passing and much more after she passed. I could never thank them enough for ALL they did, and the way they loved me while I was in Tacoma. My heart goes out to Debbie and the family. Prayers, peace and love to you Debbie.~Kim Noble

As everyone has said "His hugs were the best." For me he was always ready to listen and comfort me. Rest in Peace until Jesus comes to take us home.

A loving, outgoing, welcoming man who loved you for who you are . . . a child of God. Grateful to have been around him.

I will miss his hugs! He gave the biggest bear hugs. And he was always smiling
