First time I met my Bubby, the Rooster killer was when he was sweet talkin my absolutely gorgeous 17 yr old sister. Although my mom would let them go on dates, they had to have a chaperone. I volunteered. I was 8. I got to go to movies (with all the snacks I wanted) because they wanted to go to the back and make out. First movie I saw was Whatever happened to Baby Jane. Still my fav to this day!!! YES Bubby, I knew, and now blush when I admit I milked you for all it was worth, for years...lol. I hope you had a good journey, and I am absolutely sure she was waiting at the gate for you. Kiss my Sissy for me! I'll see ya both soon. Judy Ann.
