I worked with John at Lowe's and I will cherish every moment we worked together. All the jokes we used to tell each other and would just laugh so hard every time we would pass each other. RIP John till we meet again.

I can't believe I'm hearing the untimely demise of John, he and I worked together at Lowe's for a few years. We became very close friends, very quickly. He was a joker, sweet, kind person. Anyone that came across John, knew how much he loved life, enjoyed a good whisky and cigar. He always had a faith in God, he and I had talked about life on many levels whenever we hung out together outside of work. I'm very grateful for knowing John, I'll definitely always cherish our friendship we had. Rest easy, Sir.P.S.Stop calling me "Kid".(inside joke) Old John BoyVanessa DeTarville(Randolph)
