Kathy lit a candle in honor of Phyllis.

Phyllis, I saw you and I know in my heart you saw me. I am glad God has taken you home, you were an amazing woman, to live all your life without being able to hear and to navigate and achieve all the amazing things you did in your life and to have had a very long life filled with family and love, I am very happy for you. I wish your family my condolences as well I hope they can grieve in peace and wish them the best. I can honestly say the neighborhood will never be the same with you gone. I love and enjoy our talks and I appreciate your love and kindness you shared with me. It is a lonely world, and I am just honored I got the chance to get to know you. I will miss you Kido!! I just wished you could have made it to 100! Oh well, you won my friend, you said you wouldn't, and you didn't. I am glad God called you home, it was time, you missed your husband and siblings and your sons so much! God Bless and thank you Phyllis. I will never forget you. Much Love, Your Neighbor :) and a Minister of the Universal Life Church, Kathy
