Melani Alexis Vogel

MAY 6, 1979 - FEB 13, 2024

Melani Alexis Vogel, 44, of Puyallup, WA transitioned to heaven peacefully on February 13, 2024.

Melani is survived by the 3 people she adored the most in this world-her children, Devin 22, Maylei 17, and Blaisley 12. Also survived by her father Stephen Monroe, grandmother Faye Monroe, Mother Ronda Cook (John Cook), step brother John Cook, step sister Stacy Little (Brad).

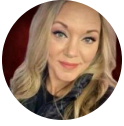

Her departure has left a hole in the hearts of her family and the innumerable friends that were blessed to have known her. She was such a bright light. Her stunning natural beauty and easy fashion sense was only surpassed by her magnetic personality.

She truly believed that God is greater than ups and downs. She was strong, compassionate, generous, loyal, sassy, warm, sweet, and tough. She cared for others. Sharing her love of music, cooking, dancing and the Seahawks were important, but her acceptance, love and concern for others were more important. She loved hard and had an amazing strength that enabled her to conquer battles that few would have had the ability to overcome.

She loved camping, had mad writing skills, animals were drawn to her as much as she was drawn to them, snacks, her clothes and cosmetics were always perfect even when they were just thrown on, the gallons of slime making and hours crafting with her kids, her love of the ocean, snacks, her natural ability to build a friend from someone she just met, she knew that music is the soundtrack of our lives, snacks, she was funny and goofy - her laugh was just everything that is great in this world.

Melani was beautiful inside and out.
