Lucille "Lucy" Elizabeth Burk

JAN 23, 1937 - NOV 9, 2024

On Saturday, November 9, 2024 Lucy passed away peacefully as she was called home to be with the love of her life Ron.

Born on January 23rd 1937 to Nickolaus Leingang and Francis Gerhart in Mandan, North Dakota, She was the 6th of 9 children and grew up on a farm in St. Anthony, ND.

Lucy worked civil service as a head cook at McChord Air Force Base for 30 years in two different dining halls and running the Inflight kitchen during her last several years while raising 5 children.

Lucy was tough as nails and was not your typical soft and fuzzy type of person. She would always shoot you straight and tell you the hard truths in life. She lived by four "F" Words... Faithful, Friends, Family and Food.

She was a great cook and baker. She was known for her many varieties of cookies, cakes, candies and so on for the holidays and of course her world famous popcorn balls. She fed the masses and delivered holiday goodies to family, neighbors, and anyone who otherwise may have gone without.

She was a care giver, she took in many when in need and she was always there to listen and provide advice and guidance when needed.

Her passing leaves an incredible void in the family that can never be replaced and she will be terribly missed by all.

She is survived by her Sister Annie and Brother Nick; her Children and (spouses): Connie (Tom), Rick (Nancy), Mark (Leanne), Scott (Karen), Terry, Joi (Joe) and Julie; her Grandchildren (and spouses): Matthew (Dee), Cherrish (James), Rick Jr. (Jen), Kelly (Brad), Shawn (Elena), Savannah (Maxwell), Paul, Britanee (Bryan), Tristan (Austin), Sarah (Tacho), Cassidy (Brandon), Kennedy

So many memories, where do I start? We became great friends and all because of a crazy cow. That darn cow could not be fenced, she was always getting out. Some of the neighbors were getting upset about the cow and we held a neighborhood meeting to see what we could do. After the meeting and everyone got to know each other and understand Lucy's dilemma, the neighbors pitched in and helped her out. She would never ask anyone for help. Anyway, we became such good friends; she was always there for me and never questioned why I came to her home so much. She just opened her door and said "come on in". And then she moved; I was lost without my next door neighbor so I continued to visit her over the years, no matter where she moved. She just couldn't lose me. I miss my friend and all the yahtzee games and other games we played. All the family gatherings to which I was always invited even though I was not family, technically. I will always have my "Lutz" in my heart!!! See ya when I get there Lucy!!

Grandma Great was one of the most amazing women I have ever met. She was a woman to give the shirt off her back if you needed it. I was blessed to know her and have her be the best Grandma Great to my children. I dated Matt her Grandson Matthew Coon whom we had a Son together Landen Compston-Coon together. I had a daughter Peyton by a previous relationship. She not only took on my daughter as if she was her own grandbaby but helped immensely with both Peyton and Landen and had them over to her home every chance she could. She was always baking and cooking with them and teaching them to garden and help her gather ruebard and potatoes from her Garden. I loved that fiesty lady as if she was my own Grandmother. She always treated me so kindly and was always there for us when we needed her and even when we didn't. I am thankful to be blessed to have known such a wonderful woman. I love and miss her dearly. RIP Lucy
