I am one of the lucky People to have met you Art. Thanks to Jane, as we crossed our paths in High School. Joan & you would let us dry out with the living room heat, after attending School games! I know you liked the outdoors! Spent time in your yard! You are a good Man. Sadly, you are missed by many. Know you will watch over your Family from Heaven. Gentle hugs sent your way.Dawn Watts

What a beautiful memory of Art I had the pleasure of getting to know him through my best friend Jane as we have gotten together on many occasions spending so much time with both Joan and Art and they both reminded me so much of my parents. Especially Art reminded me so much of my dad as they both loved working outside Art loved working in his garden and my dad loved tinkering on cars. I know Art and Joan are up there just as happy as ever looking down on their children very proud!!!! ♥♥♥
