I will never forget that you were the first friend I made in high school. You never judged me, and you were always there for me. In our adult years we had a falling out, and we never got to reconcile. Here I am years later wondering how you've been and I see this news. I broke down, the memories started flooding me. This one hurts deep. I live my life with no regrets but I will always regret not reaching out to you sooner. I will always keep the memories of us driving around in your mom's car, getting coffee and taking turns singing the used, and taking back sunday. Going on aimless drives just to talk about our lives and our future plans for when we get older. What jobs we're going to work, what families we will have. The long walks we used to take after school because we never wanted to go home because within those moments we were free. We kept each others secrets, and til the day I die, I will never speak of them. The fact that you were always there when I called, even at the worst part of my life. You are truly the definition of one of a kind and I hope you ended up forgiving me for not being a better friend, but I pray you always remembered you were my best friend. I love you dude, I'll miss you.

I was deeply saddened to hear about your loss. From day one of Devon transferring to my team at Pfizer he fit in with our group. He always had a bright smile and would help anyone around him. He will be deeply missed. Please know that my thoughts are with you during this difficult time. May you find comfort in the love and support of those around you and may the memories you hold bring you peace. With heartfelt sympathy, Tim Pool

Devon had an outstanding personality, his positive attitude, pleasant smile, great sense of humor and upbeat personality is greatly missed. He was a dedicated worker and worked well with everyone. Watching this young man study, learning a skilled trade and talking with me about rental properties gave me a lot of respect for Devon as a co-worker and all-around great person. He is missed every day.

In Loving Memory of Mr. Devon D. Calhoun I met my friend, Mr. Devon D. Calhoun, about a year and a half ago, and I can truly say that I'm going to miss our deep conversations about God and faith. He was a man whose words carried power and purpose, always reminding me to keep my eyes on the Lord. This past March, he invited me to join a month-long prayer and fast that changed my life in ways I'll never forget. I still listen to the recordings I made during that time — each one continues to strengthen my spirit and draw me closer to God. I watched how hard he worked for the Lord, always joyful in his service to his church, Lighthouse. You could see the love and dedication he had for God in everything he did. It felt so good to have a true friend in Christ — someone to talk with about the struggles of this world and how we could live in a way that pleases God through our service and obedience. I'll forever miss his encouraging words, his wisdom, and his unshakable faith. One thing I know for sure is that Devon always put God before anything else. I thank God for allowing our paths to cross and for using him to help bring me closer to Him. You will forever be missed, my dear friend and brother in Christ. A Prayer for His Family and Friends: Heavenly Father, We thank You for the life of Your faithful servant, Devon. Thank You for the love, light, and encouragement he poured into the lives of so many. Lord, please comfort his family and friends in this time of loss. Wrap them in Your peace that surpasses all understanding and remind them that Devon now rests joyfully in Your presence. Strengthen us all to continue the good work he started, to serve others with the same faith and passion he had for You. Let his memory be a guiding light that keeps us walking in Your truth. In Jesus' name, Amen.
