She was always so kind and soft-spoken, and I will always remember how she helped me get my first job at the nursing home when I was 14 years old. That meant so much to me, and I've always been grateful for her kindness. Keeping your family in my thoughts and prayers. during this difficult time.

My dear Annette, I am going to miss you so much. I have had the pleasure of calling you a friend and a sister for over 25 years, and I feel truly blessed that we had the opportunity to get to know each other so well. From traveling together to all the daily moments in between, we made some amazing memories that I will never forget. I am so grateful for the time we spent together and the bond we shared. Prayers and condolences to the family and her friends. Lavon
