Hey mom I when to see you and dad the other day and it was somewhat comforting to know that you and dad are laying side by side again. It was so hard to be there thinking of all the good time we all had together and that they will not happen again for some time. I miss you mom, I miss seeing your smile, hearing your laugh, having you to yell at me when I needed it, I miss playing little joke on you. I miss it all each and every day. what I would give to have another day with you and dad. I miss you guys so much. I know you do not want us to hurt for you but its impossible not to when you two gave us 4 boys all that you had, even when you had nothing, your love and lessons made us who we are. YOU DID A GREAT JOB RAISING US! AND WE LOVE WITH ALL YOUR HEARTS!! Thank you for everything Mom.....I LOVE YOU FOREVER AND ALWAYS!!
