Georgene is survived by brother; Bobby (Diane), daughter; Emily, Grandson; Ron (Shelly), Granddaughter; Kim, Great Grandchildren; Caley, Genie, Erik, Mackenzie, Emilee and very special niece Lynn Aldrich. She is preceded in death by 4 sisters and 2 brothers. Most of the people who knew her know she was a caring, loving wonderful person and just the thought of her makes you smile. Today I found out that you have passed. I cannot believe it. I love you and your family you were MY family. I am having a hard time dealing with the fact that you are gone and I didn't get the opportunity to grieve with the family apparently someone at my father's didn't relay a message. I now will grieve for you. You were the most awesome grandma in the world. I have never known my life without you in it. I remember all of the games, fun, trouble, and all of the breakfasts at Denny's that you would take Kim and I to. I love and miss you. You are the best. Gramma- you will always be apart of our family. You were an inspiration and a model person that I only hope someday I can become. Your presence was a source of light for my mom and I, you were encouraging, hilarious, and an ever constant presence during the hard times. Thank you for the gift of your friendship with my mom, and for your eternal kindness and encouragement to me. You are an original...##imported-begin##debbie miller##imported-end##

Dear Emily, My family & I want you to know how much we enjoyed your Mom. We all loved her for the intelligent, loving, caring person she was & especially for her dry sense of humor which touched us all in times of joy & also in sorrow. I personally used her broad shoulder to cry on more than once. She was indeed a very special lady. She will certainly be missed by all.
