Dale, I wish to tell you how sorry I am for your loss. Pat left you just three days before I lost Dan. I am sure she welcomed him into heaven. Take care and let me know if there is anything I can do to help. Linda Daniel

Words cannot express how I feel right now... Pat was like a second mother to me. When Mike and I were younger, we were fishing buddies. Pat and Dale often "taxied" us around to various fishing holes... that basically kept us out of any real trouble. Pat rarely ever turned us down, just dropped everything... and there we went. She also was there for advice and encouragement through some very rough times. As well as a friend to my mother. I will truly miss her. Those who knew her know what I mean, and those who didn't missed out. I want to send my deepest sympathy to Dale, Steve, Mike, and the grandchildren. We all will suffer for a time, but it's important to understand that she suffers no more. I want you all to know that I will be there for you, as you were for me during my times of need. Take care and God bless.

I can't even think of words to say to make us all feel better. Patt was a wonderful lady who was much loved and touched our lives in a way I will never forget. I know in time we will all heal from this and remember Patt in her healthy years we shared with her. We should all be thankful to have shared those years with her. I know I enjoyed playing Yatzee with her in the summer in the cool of the porch, and eating the wonderful veges that she grew in her garden. She will be missed greatly, but I know she is pain-free and "home" with her Mom, Dad and her brother.###imported-begin###Sheryl Riddle###imported-end###
