Mom, although I only knew you a short while, I loved you dearly. I feel so fortunate for the chance to have known you and your four wonderful daughters, especially Lori, my wife. For I know if not for you, I would never had been blessed with the opportunity to have been married to, and in love with such a magnificent treasure as she. I am sure you are along side of GOD, and at peace in Heaven above. To forever watch over and smile down upon us all. You will be missed greatly, but never forgotten. May GOD bless and keep you safe for all eternity, until we meet again.##imported-begin##Gary Piotrowski##imported-end##

Dear Al,Debbie & family,Lori & familyMary & familyBrenda & family:It seems like only yesterday that my husband and I met Sandee at the Moose lodge in Fife. She was in Tacoma, having travelled from Alaska, to have surgery on her hip at Madigan. You couldn't help but like her the moment you met...then, a few months later, she left Alaska with Mary and Brenda and drove the Al-Can Highway with it closing with ice and snow behind her. A braver soul I have never known. While staying with us, she had to have her teeth pulled for a plate and the only thing she could tolerate to eat was scrambled eggs...she had so many that I thought she would become one. Over the many years I (we) have treasured her kindness and deep friendship. I will miss her beyond measurement. The last few years we had stayed in touch basically over the telephone but each time we spoke the time rolled away and it was as if we had seen each other the day before. May your love and many memories you shared help you through this time of loss. God Bless you All In friendship and love, Sharon Liner (and family)##imported-begin##Sharon Liner##imported-end##
