Rocky was about 8 years old when we moved across the street in 1964. Time sure seems to fly. I have pleasant memories of Rocky & Pam. Muriel & Karl are in England. I won't make the service, I seem to fall apart at services since Karen died. I'll be with you in spirit.##imported-begin##Lynn & Muriel Ickes##imported-end##

You were the Brother I never had. You once told me I was like a Sister to you but sometimes I felt more like a Mother in some of the trouble you got yourself into (hee). We shared so many talks and good times. Wayne and I loved you very much. I know you always knew that. We will miss that smile and a room that seem to light up when you walked in. We will never forget you as you have always been in our hearts and thoughts. You are in a better place now and we shall meet again. Love, Sue & Wayne##imported-begin##Sue Johnson##imported-end##

The loss of a son or brother is the hardest thing in life to bear. I remember Rocky's sense of humor the most of all. May you find peace in knowing he is now in God's care. Sincerely Dee##imported-begin##Dee Martineau##imported-end##
