Dad, you've been gone for 12 years but it seems like yesterday. How you were looking forward to going on that Alaskan cruise. How I wish you had made it because that truly is a unique state to visit. Thanks for teaching me to fish and to drive a stick-shift. I miss you. Proud to be called your daughter.

I really enjoyed getting to know Cliff when I worked with him at Kaiser Trentwood. He was a very nice and thoughtful man. I enjoyed his smile and his stories. I took my daughter over to his house to see the baby lambs and she has never forgotten that. I have a lot of fond memories of times we spent working together. He will be greatly missed.##imported-begin##Annie Edlin##imported-end##
