Today is March 29th 2005 and I just found out yesterday that Ronna passed away. I thought it odd I recieved no christmas card the last 2 years. I thought we just lost touch. I met Ronna at little league and as our son's forged a friendship (Bryan and Brett) so did we. I last saw Ronna at the Lady Luck in spanaway where I was singing. I feel alot of gratitude for that last encounter. Ronna was as radiant as ever and that was probably 3 yrs ago. Bryan and I are wondering how Brett is? If anyone can let us know we would appreciate it. To all of Ronna's loved one you now have one more prayer on your behalf. Sincerely, Tammy (Parry)Nilsen##imported-begin##TAMMY NILSEN##imported-end##

Ronna, I miss you so much! Every day I think about you, and in sleep I often dream about you. I cherish those times. The memories I have of you will not fade. For a short time you were truly the best friend/"mother" that I could have had. Words cannot say how much your support, humor, company, and love meant to me. I cannot wait to share with Miles how excited you were to be his Grandma and what a one of a kind you were! Thank you for watching over us. I love you Ronna!!!##imported-begin##Julia Goe##imported-end##

I've written a hundred letters to Ronna since October 3rd; all the things I've thought and remembered, all the things I should have said or done too. I will never have a better friend again, a best friend like her cannot be replaced, ever. I am so glad we had 30+ years as best friends, I am so devastated to have lost her for even just the past six weeks. I know we'll pick up again where we left off when we are reunited, until then, I miss her every day. Ronna was very unique, special, and my privilege to have been her friend for so many years. She loved me unconditionally and was always there for me. We have so many years of memories, good and bad, happy and sad, we shared everything. It seems we grew up together although we did not meet until we were about 14 years old. Life will be different without her. Joyce Lea Vernon Neal##imported-begin##Joyce L. Neal##imported-end##

Ronna and I had a very special relationship. We both loved the outdoors and fishing, and would spend as much time as possible outside. Ronna also loved gardening, she could grow a pine tree from a pine needle. I will miss her dearly. I have many wonderful memories that I will keep with me forever. Ronna truly was a special and talented woman.##imported-begin##Mark Gardner##imported-end##

Ronna had a love for life and was always upbeat, bubbly and cheerful. I remember when she would get out of the hospital she would say that Mark had come to "break her out"! That was so like Ronna because she couldn't wait to get out of the hospital and get on with her normal life, like the hospital was holding her back. Ronna will be missed by all that knew her.##imported-begin##Teri Gardner##imported-end##

I was so sad to hear that Ronna had died. The last time I talked to Shari she told me how ill she was and I have thought a lot about her since. My heart goes out to all her family. It's so hard to lose someone you love especially someone so young. I hope to see you Saturday. Take care of yourselves & each other. Love Diane Anderson (Durbin)

Myself and the other members of the Thurston County Sheriff's Jeep Patrol send our condolences to Ronna's Family and Mark Gardener. She certainly fought the "good fight" and never gave up. I was privileged to have met her at Jeep Patrol activities and always enjoyed her company. I was glad that she and Mark were together as they made a fine couple. Everyone will miss her and her smile. We are thankful for having had her in our lives, even though it was too short. May God Bless you all and comfort you and give you strength.
