One of God's Special Children Our big sister Judy was born in Tacoma May 20, 1941, and died October 26, 2003 at St. Frances Hospital, Federal Way. Like her mother, Judy loved music and when she was still quite young taught herself to play her grandmother Cooks piano. A skill that even with lessons I was unable to master. She loved to travel and visited Hawaii at least twice that I know of. She always had a smile and hug for everyone she met. She is most certainly resting peacefully in Gods peace and love. A beautiful and special child who has been loved by many. Judy loved the Lord Jesus and I know she is with him and with those that went before her in paradise.###imported-begin##Pat###imported-end##

For my big sister. These years had seperated us by miles and closeness but never in my heart. You have been an inspiration to many and will never be forgotten. I love you and will miss you. Your "little" brother###imported-begin##Mark Brown###imported-end##
