I'm keeping your family in my thoughts and prayers at the loss of a wonderful wife, friend, mother, etc. I went to school with Samantha in Tenn and will always remember her and Prudence Pettigrew as the center of fun on the basketball bus. She was full of warmth and laughter.##imported-begin##Lisa Jones Davis##imported-end##

I am sorry to hear about Samantha. I went to school with her here in Parsons. She came to see me during Thanksgiving at my office and we talked for probably an hour or so. We had a really good visit and I am so thankful for that. We have stayed in touch via e-mail since our 25th year class reunion, which was a couple of years ago. I will miss her e-mails. I considered her a really good friend and I will miss her. She was telling me Thanksgiving that she had a wonderful husband and children and was "bragging" just a little. Please know you are in my prayers.##imported-begin##Ginger Rainey##imported-end##

Samantha and I went to school together from about 4th grade through high school. We had most all of our classes together the last 4 years. I did not get to see her every time that she came in to visit with Kitty and her family, but I did get to talk to her a long time at our 25th class reunion. I am so glad that I got to talk to her again the other week when she came into Tuckers Restaurant for a to go order while I was there eating. She was in such a big way...just being Samantha. She is going to be missed. May God be with her family. P. S. She, also, promised my husband, Jeff, that she was going to bring her husband, David, in to meet us the next time she came to Parsons.##imported-begin##Darla##imported-end##

My deepest sympathies go out to Symantha's family. I am from Boeing Wichita and worked with her in 1996-2001. During this time I was also one of the managers that she supported and she was always willing to help the Wichita Boeing team. Symantha shared her family photo's with all of us and her devotion to her family was very strong. I am so sorry to hear about her passing away. I wanted you to all know her Wichita friends pass on their condolences.##imported-begin##LuAnn##imported-end##

I lost a very dear person in my life this year and I love this poem... I thought I would share. MY FIRST CHRISTMAS IN HEAVEN I see countless Christmas Trees around the world below, With tiny lights like Heaven's stars reflecting on the snow, The sight is so spectacular Please wipe away that tear For I am spending Christmas With Jesus Christ this year. I hear the many Christmas songs That people hold so dear, but the sound of music cannot compare With the Christmas choir up here. I have no words to tell you the joy their voices bring. For it is beyond description to hear the angels sing. I know how much you miss me, I see the pain inside your heart though I am so far away, we really aren't apart. So be happy for me dear ones, You know I hold you dear, And be glad I am spending Christmas with Jesus Christ this year. I send you each a special gift from heavenly home above, I send you each a memory of my undying love. After all Love is a gift more precious than pure gold, It was always most important in the stories that Jesus told. Please love each other as The Father said to do, For I cannot count the blessings or love HE has for you. So have a Merry Christmas and wipe away that tear, Remember I am spending Christmas with Jesus Christ this year. ##imported-begin## Somone Who Cares ##imported-end##
