Shirley, The years passed so fast, and we have lived on different sides of the country for many years. I have often thought of Uncle Billy through the years and remember when I was little, living next door, and the time he would spend with me when he was home. There are many fond memories of those years. Please know you and your family are in my thoughts and prayers.

My prayers and sympathy are with you and your family. I will always remember Uncle Billy as a special Uncle as I was growing up, even though I did not live in Tullahaoma and he was in the ARMY. The times I spent with him have a special meaning. Grady L. Sain Jr.##imported-begin##Grady L Sain Jr.##imported-end##
