Thank you mom for always being my shining star. Your unconditional love, support, and knowledge have made me the person i am today. There is so much to say about my mom. She always relived the moment when she told stories. She was so full of life and tried to make the most out of everything. To me, she could do anything. I am always going to be taking a part of my parents with me wherever i go and i can only pray that I can be as strong as they both were. I want to thank everyone for their support through this time of grief. It means so much to me and i know it means a lot to my mom and dad.##imported-begin##Trischa Lohr##imported-end##

Trish, You're mom was an amazing woman who will be greatly missed. I have so many memories of her loving, warm, exciting nature. She was always compassionate to all, and I am truly going to miss everything about her. Especially the way she would say my name when you'd tell her you were talking to me on the phone. Trischa, you were your mom's greatest accomplishment, and her whole world, all of her happiness, it was all wrapped up in you. More than anything, she wanted to see you live out all your dreams and be happy. She will always be watching over you, because she wouldn't have it any other way. I know that you will make her proud, in fact, I know you already have. I love you, babe. I'm here for you always.##imported-begin##Nickole Hanna##imported-end##

Dearest Trischa, Our hearts are with you in this time of sadness. Dewaine and I both knew your mother for about 8 yrs or so. One thing that your mother always did was talk about you and how you where doing. You where the love of her life. We had seen her about a week before she passed she told me that it was great to see us happy and she told me to take care of ourselves. That was the type of women she was. She always lit up a room when she walked into it with her loving smile. May God Bless you in your time of need. And know that he will always be there for you.##imported-begin##Jamie & Dewaine Cobb##imported-end##

Sue was a wonderful person with a great ambition for life. She was always living life moment to moment and was always there when anybody needed her. She was understanding and had great advice to give and was always ready to lend a listening ear. I have had the pleasure of knowing her for twelve years, not just as my best friend's mom, but also as a friend like another mom to me. Sue loved life and what it had to offer. She loved people and how we each were unique and had something new to offer. She may be gone but her spirit will always live on, not only in her daughter but also in all that remember her. She was loved and I will miss her.##imported-begin##Telysha Cutrell##imported-end##

Our hearts are sadden with the loss of Sue. We have been blessed with the privilege of knowing Sue and Trischa for the past twelve years. Despite being a single parent, Sue has done such a wonderful job in raising her daughter. Trischa has grown up to be such beautiful, mature and intelligent young lady that would make any mom proud. Sue had such a wonderful zest for life and will be deeply missed by all.##imported-begin##Brent & Susan Cutrell##imported-end##
