Joan, The Puget Sound Treasure Hunters Club members will miss your always smiling face and your positive attitude towards your Medical Condition, sorry we we're unable to attend your service as my Grandaughter gave birth on 2/4/04 to a little boy and we are taking care of her other 2 children. I particurallly remember, that once our Treasure Club had a special event at Fife High School during one of our annual hunts. This was a Wheelchair hunt. The participants were you and your husband, you used the Metal Detector and your husband pushed it around, and retrieved the targets, the other participant was Ray O'Neil pushing his wife Myrna. She was a great lady. I'll always remember her wonderful smile. She always had a good word and encouraged me many times. She and John did a great job raising their sons. We will think of her often and know that she is with the Lord.##imported-begin##Ray & Marilyn Johnston##imported-end##

What terrible news that Joan is no longer with us! I first met her 24 years ago. She was a friend to me when I needed friends, and she took the time and energy to keep in touch with me over many years. She was a very remarkable lady, and I miss her.##imported-begin##Joan Teller##imported-end##
