Hey, Mom -- I want ALL the details as to what Heaven is like; it must be amazing to be with your Heavenly Father and your biological father at the same time. I know you're able to see my girls again too; aren't they amazing? See ya soon, Mom. I love you. PS I'm still waiting to hear from you.##imported-begin##Judy (Kronschnabel) Oliver##imported-end##

Hi Mom, No matter what part of the country I moved to I could always give you a call and talk about anything and I have really missed that. Remember back in the 60's when I lived in Minnesota and would sneak into the company late at night to use the "WATTS" line. We would talk for hours. Well, soon enough I will be coming to see you and we can get caught up. I love you Mom.##imported-begin##Charlie Kronschnabel##imported-end##

I am so grateful for Aunt Barb's life and for her Christian witness to our family. We have missed her for years but are delighted that she is free of her earthly body and at home with the Lord. What a reunion we will have some day. I know that Mom would be sad but, thankfully she has been spared this bit of news. We love you all and you are in our prayers. To Carol, Don and I were sorry to learn of your mother's long illness and passing. It must have been a very difficult time for your family. We remember the years of CampFire Girls and all the times you spent the night with Stephanie or visa versa and that time you went to Mt. St. Helen's with us and you, Stephanie and Don went into the Ape Cave tunnel. Stephanie is a stock broker for Morgan-Stanley in Seattle. I have sent her the info in your mother's obituary.
