Marvin L. Scott

FEB 21, 2005

Marv Scott, who was probably best known for his life-long love of baseball, was born to Bert and Alpha Scott in Winthrop, Washington, on July 6, 1920, and passed away on February 21, 2005. Marv graduated from Stadium High School, then attended WSU until WWII, when he served as a Lieutenant j.g. in the United States Coast Guard. Marv played professional baseball both before and after the war. He graduated from University of Puget Sound and began teaching civics and economics and coaching baseball and basketball at Stadium High School in 1947. He then moved to Woodrow Wilson High School when it opened in 1958. Marv had a profound effect on the lives of many of his players and students. Marv became a full-time scout for the New York Mets in 1967, after many years of part-time scouting for the Chicago Cubs, St. Louis Cardinals, Detroit Tigers and New York Mets. Marv was preceded in death by his first wife, Johanna, brothers Gerald and Cecil Scott and sisters Edith Link and Maxine Williams. He is survived by his loving wife, Mary of 15 years, daughters; Leslie Scott, Sidney Scott, Dana Theis and Shelby Rothstrom, his grandchildren Tara Sewell, Hannah Rothstrom and Jordan Rothstrom, his stepchildren Larry Lucich, Mary Jane Wathen and Marlene Hertel and their children James Lucich, Jonathan Lucich, Tiffany Lucich, David Wathen, Theresa Bryant, Katie Wathen, Danny Wathen and Eric Heblich. If you would prefer to make a charitable donation in lieu of flowers, please send contributions to: Shanaman Sports Museum, 9908 63rd Avenue, Ct. E., Puyallup, WA 98373. Services will be held at 3:00 PM, Saturday, February 26, 2005 in the Mountain View Valley Chapel. Arrangements by Mountain View Funeral Home. 584-0252.

Marv was one of my favorite teachers at Wilson, class of 1960. He was always a teacher to look up to and inspired many of his students to go on to college and greater things. As we plan our 45th class reunion with Stadium we will be thinking of Marv as a teacher who made a difference to many of us.##imported-begin##Pat Crawford (Ryan)##imported-end##

Since I will be unable to attend your services today I want to take this opportunity to say "Goodbye" to one of the finest gentlemen I have ever known. You were a classic role model to all who came in contact with you. I consider myself very lucky to have known you. I will miss being able to visit with you at the Old Jocks and Tacoma-Pierce County Baseball & Softball Hall of Fame gatherings. Looking forward to seeing you again when the ultimate UMPIRE says "batter up."##imported-begin##Vernon Kohout##imported-end##

Mr Scott was a cherished teacher of mine at Wilson High School. I graduated in 1977. My friend Kari and I originally took his class because we were avid baseball fans and went to every game of the then Tacoma Twins at Cheney Stadium, and knew he was a scout for the Cardinals. We found Mr Scott to be way more than just a "baseball" guy, he was a great teacher, and I will never forget the lessons I learned from him. I have lived a better life for having known him. I lovingly send my condolences to the family and friends that survive him.##imported-begin##karen mobers##imported-end##

Dear Mary and my cousins: I am so sorry I can't be there today. I am in Arizona and leaving for Mexico. I have such good memories of my uncle and he was along with Mary such a comfort to my mom. I will never forget a family 4th of July picnic at our home when Marvin found out I was dating the star pitcher from Clover Park who he tried to sign but alas he signed with the Pirates for the huge sum of 3.500.00 dollars. He said " He won't even know how to pull his socks up right on the mound". He was probably right as I never did find out what happened. He was the best and I am proud to say he was my uncle. God bless and my thoughts are with all of you. Love,

I was a 1952 graduate of Stadium High School and was the manager of the 1952 baseball team. Marv was not only a great coach, but was also a great teacher. I was fortunate to have him for US History. He has been to every 1952 class reunion and we will miss him at the next one. But he will always be in my memory.###imported-begin###Ted Held###imported-end##

Dear Family: Sandy & I share your grief for a special man. We send our wishes to you all as Marv was a remarkable man. Here is our story "We have always admired Marv Scott. In fact he is the one that caused Sandy and I to meet when we were in High School. I told this to Marv last year.(In the 10th grade I broke my leg skiing and walked into his History class with crutches carrying all my history and science books. Before class was to end he asked if someone would help me to my next class. Sandy volunteered and the rest is history. As a stern teacher and coach it showed me he is really a compassionate individual). From Stadium we went to Wilson as 1st. graduating class in 1959. God Bless.###imported-begin###Ted & Sandy Ramstad###imported-end##
