We shared many connections in our lives and have enjoyed them all, especially being the grandparents of our twin grandsons. I will do my best to keep them on the straight and narrow path of righteousness that you tried so hard to lead them to. May you rest in peace knowing that your efforts will not be in vain.##imported-begin##VAN R. CLEMONS##imported-end##

I've known your mother down through the years and she's been like a sister to me. I feel like I've not only lost a dear friend, but a sister. I will not say goodbye to my sister, i'll say sleep on and I'll see you in the morning. Mother Willis##imported-begin##Annie Willis##imported-end##
