Nancy and family: I wanted to send a personal note to your home, but have been unsuccessful in finding an address. Paul and I, and especially David, were so sad to read about Tom's death in the paper. We all have so many memories of those days when Tom, David, and Joel were such good buddies. David will always remember Tom as a very special friend. His life was certainly too short and too difficult, but he lived it bravely. We share your loss, and keep you in our hearts. Sincerely, Donna Schultz##imported-begin##Donna Schultz##imported-end##

Nancy & Family, Know that we love you and our prayers are with you! I am sure those that have gone home before Tommy have greeted him with open arms and they are rejoicing in each others presence...right this very minute! Death is always so sad for us who are left on this earth, but when one thinks of it as a graduation to a better place...one where there is no sin, no hurt or pain...we too, can be thankful and look forward to that day when we shall be with them again. God be with you and give you comfort during this difficult time in your life and know that he is only a prayer away. Nancy, I'm not sure there are any words that could possibly help right now. Perhaps it is enough to know that Tom is at peace. I'm thinking of you and hoping that for a while some of us can make you smile like you do for all of us every day. Linda##imported-begin##Linda Wimberley##imported-end##
