Pace Family-- I didn't know your dad but he was certainly well loved. He sounds like he would have been a wonderful man to know. I hope that your memories of him will help you through these difficult times. Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. ~Author Unknown##imported-begin##H. Charlie is a class act and has a very special place in my heart and thoughts. He brought to DBM Contractors a wit and calming charisma when there was chaos around him. I cannot think of a person that I ever trusted more. His good graces and gregarious manner should be a lasting model for us all to emulate. I will not say that I will miss Charlie because he will always have a presence in my heart. He cannot be missed if he is not gone. God's speed my friend.##imported-begin##Michael B. Rosanna,Angie & Marciel have known your dad for about 25 years. I always enjoyed talking and working with him. I was impressed with his ability to take care of all the financial paper work for the company. He seemed to always have a good outlook on life. The last few years when we had the occasion to talk on the phone I remember him talking about his daughters and grandkids. I had told him recently that we were planning a trip out to Washington this summer and wanted to see him. He said he would enjoy getting together. We will surely miss him. You are all in our thoughts and prayers.Howard & Margaret Kimball##imported-begin##Howard & Margaret##imported-end##
