It is with great saddness that our family has learned of Earl's passing. I hold many fond memories of having high school heavy metal band practice with Earl's sons Doug & Louis. Earl was always patient and willing to put up with all of us when it was Earl's family room that was the practice site of the week. I know he was very proud of all of his children and he will be greatly missed. Our heartfelt prayers extend to Earl and all of his family during this very difficult time.Coltrane##imported-begin##Coltrane Roberts##imported-end##

Edwina and family, we know you all must feel a tremendous loss. Earl was a very fine man and all who had the pleasure of knowing and working with him will surely share that loss with you.
