I have been Wally and Kari's insurance agent for nearly 20 yrs, and I consider them dear dear friends.. when I learned Wally was next door at hospice, I went and saw him everyday, We read, I sang to him and we prayed together..I will cherish my time with him.. I was there when he went to see Kari again, he was so peaceful I didnt even know he was gone, just resting.. they have each other again and the love of our lord, to keep them till we all get to see them both again, go with god and keep my place warm near you.. I will see you again my friends! Linda##imported-begin##Linda##imported-end##

I have not seen Uncle Wally for many years. I was married to his nephew Tom Charles. I have many memories as we used to go camping and fishing with him and Aunt Kerry. The one picture that stands out is the one of him with a big spread of fish on the ground and the biggest smile on his face!My condolences to the family and their children. Wally will be missed but not forgottenLove Jean Charles Tobolski##imported-begin##Jean- Charles -Tobolski##imported-end##

All my thoughts and prayers to all the family. I worked with Wally many years ago and have known Karl for all these years also. I know that Wally will be missed by many or all of the people he ever came in contact with. He had a very good personality and loved life. My condolences to all who cared and loved him.
