Momma:I missed so much. I love more than life itself. My heart ache and wishing you were still here. You were so much my momma and for that I thank you. My life has this hole and I can't seem to fill it up. I've been calling your sister Jeanette and she helped make that peach cobbler. But I do thank you for teaching this "white girl" how to cook greens, sweet potato pie and your wonderful stuffing. I haven't been the same since you left but I've kept my promise by standing by your son. He misses you so much but he did go to class that you wanted him to take and he got that job because of you being our angel. Momma I really wish you hadn't left I still need you so much. Please stay with us and don't leave us. I love you and miss you; Sally##imported-begin##Sally Brawley##imported-end##
