I had the privilege and pleasure of helping to care for dear Martha during her last months of life. I never knew how our visits would turn out, but if she was in a bad mood we could usually work through it and end our visits with a laugh. She had a wonderful sense of humor, spiced with some sarcasm (and a bit naughty (pleasantly) at times). I will surely miss her. My heart goes out to her loving family, who are so devoted to her.

What to say about Martha? She was a Mom and Grandma to all, we first met her in 1968, through Dan, and she became our Mom and a Grandma to our kids. The coffee pot was always on and her pies were the best, her humor was contagious and her love for her family was infectious. We will miss her---Our Love, Thoughts and Prayers to Dan and Kay and all the Jake Boys and families##imported-begin##Rocky and Linda##imported-end##
