Peter Palamidy

OCT 20, 1952 - DEC 13, 2005

Peter Palamidy was born October 20, 1952 to Mrs. Mary Bazemore. He grew up in North Carolina and Virginia. Virginia is where he met his high school sweetheart, whom he married January 7, 1970. Soon after, he joined the U.S. Navy and served his country for 8 ½ years with honors, receiving many commendations. He moved his family throughout the states, landing in Washington, where he raised his family and made his home. He had a passion for automobiles of all types to include motor bikes (Harley Davidson!), flying aircraft, and gun collecting. He leaves to mourn in passing his devoted wife, Darlene Palamidy; his mother, Mary Bazemore; stepdad Warren; three beautiful daughters whom he loved very much, Candy, Jamie, Sandy and her domestic partner Cindi; and his two loving granddaughters, Crystal and Keely. Also surviving is his brother Bobby in Connecticut as well as numerous other family members and caring, loving friends. Services will be held 4:00 PM, Saturday, Dec 17, 2005, in the Mountain View Garden Chapel.

We have not seen Pete in several years. He used to come down to Wayne's shop and talk cars and talk about their homeland in North Carolina. He always brighten up a place when he came in and everyone was a friend to him. You can shed tears that he is gone, or you can smile because he lived. You can close your eyes and hope that he will come back, or you can open your eyes and see all he has left. May this saying help you thur this time of need. Thank you for your kind words. I just read these messages that were left. He is my dad, I am the baby of the family. He is missed every day. And you seemed to know him well? Because you are so right, he made everyone feel comfortable. And I am great duo to him for all he instilled in me. I appreciate you! -Jamie Palamidy

My deepest regards to the family. We are here only for a blink of God's eve and then gone from view. The lives we helped make better because of who we were is what is left to carry on.I'm sure Pete helped make many better because of who he was. I only met him once and he was a TRULY likeable person.
