Dear Family, Your Mother was a wonderful person to work with. I was an operator from 1963- 1966 and then went to the plant service center where Audrey later followed. She worked for me as a line assigner for 3 or 4 years. Her good nature made it a pleasure to be her boss. God Bless you all Colleen Henry.##imported-begin##Colleen Henry##imported-end##

I loved Aunt Audrey's spirited ways. You knew she loved her family, dearly! She always crocheted things for family. I definately had the coolest vests at school in the 70's thanks to her, and beautiful baby blankets for my two children. She was so much fun to be around and her laughter was infectious! I will really truly miss her!!!###imported-begin###Kimberly Ann Kelly Lehman###imported-end##

What I will remember most about Aunt Audrey is when she smiled and laughed, her whole face lit up. In addition to many other fond memories, I will never forget the time that my parents were in Hawaii and my sister got meningitis-we were in our late teens. As soon as Aunt Audrey found out, she came right over to help, and I was so relieved!!We will truly miss you Aunt Audrey!###imported-begin###LaNae Rice###imported-end##
