To Sharon's family - I was so sorry to hear of Sharon's passing. Sharon was a very kind and generous person. She always had a smile on her face and it was so infectious, one couldn't help but smile back and you would leave a much happier person. I also played softball with Sharon; she was a great teammate. Sharon was a wonderful person with a great many friends who along with her family and co-workers, loved and admired her. Hold onto those memories and they will comfort you in the times ahead.###imported-begin###Jo Ann McCaffrey###imported-end##

I am very saddened by the passing of Sharon and send my heartfelt condolences to her family. I hadn't seen Sharon since the early 1970's, but have always had fond memories of our days at St. Leo's Grade School. We played softball together (she was by far the better player). Sharon usually sat two seats behind me, as we were often seated alphabetically. She was tall, slender, and beautiful with a very kind and sweet disposition. When I picture Sharon, I see her laughing, her head tilted to one side. I also picture her on the softball diamond playing either 1st or 3rd. Mrs. Tetreault & Mrs. McCaffrey were our coaches and they knew they had a winner in Sharon -- both on the field and off. We were sure blessed to have Sharon in our class.##imported-begin##Kathy Mailey McSorley##imported-end##

My sympathies to Cyril, Dennis, Jordan and Sharon's family & friends. Words in this guestbook attest to the person Sharon was & the effect she had on people. Sharon was a teacher. In good times & bad, I remember her smiling or laughing. She was a gentle spirit and boy did she love those boys. Our conversations were about our kids and family. Sharon was always quick to offer an ear. She was easy to talk to & was very open about her experiences as well. It's touching to see so many entries from the Sea-Land family here. I have wonderful memories of the time I spent at Sea-Land. I remember well the soulful laughter of Sue, Consuela, Bev & Sharon. It was not uncommon to pass by this gregarious foursome like school girls, secretly huddled in conversation & then suddenly erupt in laughter. Sharon left a legacy of love and although gone from this earth, she is not be forgotten. Sharon blessed my life and the lives of so many. I know you will be busy working in God's garden, Sharon, perhaps still teaching. Be sure to put in a good word for your pal.##imported-begin##Anna (Chavez) Shawver##imported-end##

I was deeply saddened last night when I saw Sharon's beautiful picture in the obituaries. My heartfelt sympathy goes out to the family and loved ones, especially her boys. During my last journey at Sea-Land I trained on Sharon's desk, she was the nicest person I ever worked with; always a kind word, always a smile, loved her job with a positive outlook on life. We would often talk about our children and her phone conversation with the boys showed that they were the center of her life and meant the world to her. Sharon would say "there will be a place for me" and she is now at that peaceful place. Sharon was a GREAT MOM, A GRACIOUS LADY!##imported-begin##Zaire LaClef##imported-end##

My deepest sentiments are with You Cyril and the entire family. Sharon was well liked on the job. That's how I came to know her at Sea-land. When ever we would get together, Beverly, Consuela, Sharon and I we would just laugh and have a good time. I am the one that gave her my famous Lasagna recipe she enjoyed it so much. And when ever there was a jam at Sea-land she knew she had friends she could talk to when she felt like it. I was one of those indeed for her. The Lord has added a rose to his Garden and she will be missed but not forgotten. We have had the experience and joy of knowing how genuinely sweet Sharon was. I am so happy I had the opportunity to meet such a nice person.##imported-begin##Sue McKinney##imported-end##
