I worked with Mr. Roe at McChord AFB from Sept.1979 to Aug.1983, where he taught me many things about the jet engine for the C141 aircraft.Patience, slow and steady and it will all come together.I was an E4(SGT) back then and now retired as an E6(TSGT).Sorry for your loss. May he soar with the eagles. Alan A. King Tsgt USAF Ret.##imported-begin##Alan A. King##imported-end##
