Dear Bev, My sweet and loving sister. I miss you more than words can say. My heart is broken. I know that you are watching over all of us from above. It is hard at times to find the strength to go on but I know that you would not want anyone to be miserable and unhappy. You would want us to remember your bright smile and caring thoughts and words. Rest assured that Sarah and Chloe' will be taken care of. I will make sure that they have happy lives full of love and caring. I will pick up where you left off with being grandmother to Chloe'. I will tell her lots of stories about her grandmother. She will know and feel you. I know that we will see each other again on the other side and when we do I will embrace you and never let you go. Love Always, Your sister Sherry##imported-begin##SHERRY MARRS##imported-end##

It's during these times that we look to our family and friends to embrace and hold us close to help ease the pain. Please know that your family extends beyond your expectations! Bev will be missed by all of us who knew & loved her, she was a wonderful person, friend and co-worker, although we lost touch for years at a time, when we reconnected a few weeks ago, it was as if no time had passed. I will miss you, Bev.##imported-begin##Betty Judkins##imported-end##
