I can say I really loved my father, even though at times we did not see eye to eye. I really with miss the old man, which I will someday become. I hope that when my time comes, I will be remembered in the same way. I loved this man, though at times I did not show it, he was my father, my mentor and my friend for life. He with always be in my life, for now and in the afterlife. And, thanks to dad and mom for always being there, whenever we needed them. I thank you all for being there for my father and mother. Jack's sister Catherine was so faithful over these past months to request prayers for Jack during his illness. Although we never met, his prayer needs were trusted to many of us during this time and as his Christian sisters and brothers, we were blessed to be entrusted by her for him.Carolyn Giger##imported-begin##Carolyn Giger##imported-end##
