You always called me 'Pat' never Patti or Patricia. You were the only one I ever let get away with that. I couldn't argue your reasoning! Many memories over the last 20 years...the lake, camping, fireworks, family dinners, birthdays, eating fair burgers, and playing bingo! The last two summers were the best! Summer of 2006 at Paradise Resort and Summer of 2007 here at the house and the lake. Thank you for the virtues you instilled in my husband. It has made him a great father and husband. I'm sorry we don't have more time to talk, and I'm so sorry that you are gone. You will be greatly missed! I love you!##imported-begin##Patti##imported-end##

Our thoughts and hugs are out to all of you during the hardness of saying good bye to your dad. Christian and I learned so much about crabbing from him. When we would see him at a party, C and I always had a really nice, long conversation with him about boating, crabbing (well, he taught us how to). In typing this, C and I actually am so glad we got to see him a lot of times. We had many, many fun conversations with him and all of what he was doing and enjoying his life. His face would light up (like ours would) when we would all get to hear about boating stories, and fishing stories. He was a very, very nice man. I am glad we have the memories we do at the gatherings we got to see him at. Please note: we are very sorry not to be able to come to Wa so all of you can know just how much we respected him. We did and do - just a little bit hard right now from California and the flu bug we both have - May Wednesday move fast for you and bring some smiles to all of your family when you remember the good times. Lorretta and Christian Bob, we know you are crabbing, fishing and thinking about all of the family you have to remember you.##imported-begin##Lorretta and Christian##imported-end##

BobWe are really going to miss you. You were a wonderful cross between a teddy bear and a curmudgeon. Always worked hard, always loved your family, always honest and always hard headed as hell. I will never forget all of the wonderful memories of you, Joan and all of the kids (and their kids)Ã¢â¬!..camping, fishing, drinking beer and swapping lies. I still get a great big smile on my face when I think of our salmon fishing trips and all of the good times at Lawrence Lake (not to mention the Ã¢â¬"Rocky PartyÃ¢â¬", the Christmas Eve get togethers, or Ã¢â¬"the waveÃ¢â¬", on the Westport bar). You left me with a lot of wonderful memories and I am the better for having known you. Not only will Pogo never be the same but all of your Ã¢â¬"BozosÃ¢â¬", will never forget you. Joan and kids....we were saddened to read of Bob's death in this morning's paper. Losing a family member is always so difficult. We know you all have many laughable memories to hold. We say "laughable" because our memories are of Bob's stories as we sat around the campground those times we joined your family and Garrisons. We are out of town this week but will hold you all in close thought.Take care....Andy & Kathy Bergman##imported-begin##Kathy Bergman##imported-end##
