I'm so sorry to hear about the loss of Travis. During my short time working for the ECS Travis became a good friend and mentor to me. I'll always remember his tenacity and spirit. There was no job that he wouldn't say no to, and no matter how many hours we had put in, he was always up for a beer after work. From volunteering to go to Iraq twice, and then his courageous battle with cancer, Travis was a hero in every sense of the word. It was an honor having known him and he will be deeply missed.##imported-begin##Todd Greer##imported-end##
