I worked with Barbara many years ago at Albertsons. She had a bubbly personality and was a lot of fun to work with. She endured many challenges in life but went through them with a positive outlook. We shopped for Christmas gifts one year and stopped at Yoko's for lunch. When I had my first son thirteen years ago she presented me with a handmade blanket crocheted by her mother in colors to match the nursery. I will cherish it always. I pray peace and comfort for the family at this difficult time. God Bless Laurie Shelton##imported-begin##Laurie Shelton##imported-end##
