To the family of Dorothy Melville, Although I haven't seen Dorothy in many years she will always be a bright spot in my memories. I remember taking drives with her and Mom and Dad Ness, or having our afternoon tea and cookies, or just visiting for hours on rainy afternoons. She and mom liked to think of places for dad to go and off they would be on another adventure. Your mom always made me feel like family and I will always think of her as my sister-in-law and my friend. I am so sorry for your great loss.
