Dear Bobbie, My heartfelt condolences to you and your family in your time of loss. It was my privilege to know you as a co-worker before your retirement from OSPI. I hope you and your beloved husband were able to celebrate and enjoy your retirement years. I have thought of you often since you retired. Although I can't be with you in person, please know that my heart shares your sorrow. Even when we know our loved ones are at peace and with our Creator, their physical absence leaves a big hole in our lives. I hope your "big hole" is filled with support and love of family and friends.##imported-begin##Tani Schwent##imported-end##

Bobbie:I am so sorry to hear of Johnnie's passing. I wish I could be with you on Saturday, but I am unable to because I have to be with my Mother - she is undergoing cancer treatments. I think of you often - the WLMA conferences are just not the same without you there. I miss your presence at OSPI. My deepest sympathy.
