I dont know the family but I am going through a loss myself...We dont always understand what the plan is for each individual, we just follow it and live according to it. There is a reason for all of our Lord's doings, whether painful or confusing, it is not a question for us to ask just an order for us to follow. My condolences to you and your family and may you have a blessed life.##imported-begin##Karla##imported-end##
