We are very sorry to hear about Larry's passing. We were fortunate to purchase his home back in 1997. He was so kind, and our thoughts and prayers go out to the rest of his family.###imported-begin##Scott and Shari Grant###imported-end##

Dear Laura and Dennis,Where do we begin after having so many fabulous years and times together. Puyallup High and riding the school bus together was the beginning of our friendship. Larry asked me one day if I would talk to Margaret to see if she would go on a double date with him and with Ray and me. From that time on we were together. We helped each other with our building projects and then we started our families. Those are precious memories going to the ocean camping, digging clams and the fishing trips to Neah Bay and LaPush. Also the week vacation with our boats to Canada. The wonderful memories are many and the thing we remember too are all the moments of laughter either teasing or things that accidentally happened. These memories are very special and vived and ones we treasure. We love you both and please keep in touch.Ray and LaVerne###imported-begin##Ray and LaVerne Marecle###imported-end##

I met Larry 10 years ago-with his mate Emma- he was always so sweet and so generous to his Son and Grandchildren. He was such a gentle kind man - just like his Son-Dennis. I watched over the years his great gentleness shine thru his great granddaughter Destiny and Great-grandson Skylar. He has passed on his goodness thru his family. May God Bless Emma, Dennis and Laura. He has left us-but will never be forgotten. Shirley Langen/Black Diamond, Washington##imported-begin##Shirley Langen##imported-end##
