My most heart felt sympathy and condolences go out to the Dale Gene Richardson Family. I did not know Dale but I am a very close friend to his sister Gail Rose & his niece Tracey Quere. Gail is like a sister to me & Tracey like my own niece. Dale is absent from the body but present with the Lord, Praise God for that!!! He is walking on the streets of gold & I heard he sings so probably singing & praising God with the Angels. I feel your hurt & your pain for I just lost my oldest brother of age 54 last month. Just hang on to the good memories you have had of Dale & remember it isn't goodbye, but I'll see you one day. Helena, you don't know me but I have you on my heart & I am praying & interceding for you. My own niece lost her Mother at age 13. Gail, Tracey, & Helena I wish I could get you a big hug right now but I am in the spirit. I will be praying & interceding for you all. May God Bless & comfort all of you during this difficult time. Dale, my oldest brother, I am thankful for the past 6 years that we have been in touch and have shared our hearts. I'm thankful for our time of laughter, our time of tears, as I will miss talking to you! Thank you for becoming the brother I needed you to be! You were taken to soon from us, but I know I'll see you again when I get home. You were the Daddy that Helena needed you to be, and I'm proud of you for that! What a celebration you are now having as you're reunited with love ones, and all the great men/women of old. Most of all you're there with our precious Jesus, and I know you're asking Him some questions. God has called you home, and when my work is done I'll come home too. What a time we will have as we sing, shout, and dance all over glory. I'll miss our talks Dale, I love you, and I'll see you again!##imported-begin##Prophetess Gail Rose##imported-end##

Gene... You will never be forgotten, for each time I look into our daughters' face, I will see you. You gave to me a wonderous gift, of which there are no words to truely describe how very thankful, and grateful I am to have been so blessed with her in my life. You truely were the greatest daddy, and I wish I'd told you that. I was so proud that you were her Dad. I'm saddened that you are no longer with us. Taken away too soon. But your memory will forever live on, in our little girl. Till we meet again.. Mary##imported-begin##Mary Raymond##imported-end##
