I wish I could have met her to tell her what a great family she has, and what a great job she did raising her boys... I am so sorry for your loss, and know that you are all in my prayers everyday....If there is anything you need help with...please don't hesitate to ask....God Bless you all.....Love Angelica Roth##imported-begin##Angelica Roth##imported-end##

Paul, Family & Friends : My deepest condolences on your loss. Know that you are in my thoughts and prayers. I can tell that you have a loving and caring support group and don't hesitate to lean on them; I lost a family member at an early age and a friend reminder me of the value of leaning on my support group and to hold on to the memories of the great times that I had with my loved one and to know that they are in a great place now watching over us and helping us.##imported-begin##Bill Elmendorf##imported-end##
