It was a privilege to get to know and work with Judy. She always had a quick and ready smile even when she was fighting her hardest. We will miss her greatly. May the memories of all of the good times you shared with her lighten your hearts and bring smiles to your faces.##imported-begin##Barbara McBride##imported-end##

By Dorothy K. Essex, Jr. written especially for Julianna Golden
In Life we ask what are the reasons? Perhaps it is the cause for seasons? Man's purpose here may be short lived, But oh did this woman know how to give. Of herself to God and to her friends, Even right down to the very end. A woman with love and full of passion, If only we had her compassion. In God's memory she is to rest, And soon, very soon will face a test. I am sure she'll pass with flying colors, Julianna and all the others. We are here for a time and then it passes. We send our love and hugs in masses. Someday the sorrow will have passed. And we will all be together at last. Judy, You will remain in my heart forever.,##imported-begin##Dorothy K Essex Jr.##imported-end##

A TRIBUTE TO MY FRIEND JUDY AND HER FAMILY "When you remember me, it means that you have carried something of who I am with you -that I have left some mark of who I am on who you are. It means that even after I die, you can still see my face and hear my voice and speak to me in your heart. For as long as you remember me, I am never entirely lost." BE AT PEACE JUDY. I WILL MISS YOU. Karen Ojeda##imported-begin##Karen Ojeda##imported-end##
