Bernice and Family, it is with deep sorrow to hear of your loss. I still remember Floyd and the years we spend together growing up in Cleburne, Texas and his mother being my Sunday School teacher at Central Church in Cleburne. I am sorry I could not at the services today. God Bless you and your family and you know God is with you. Lester Lewis##imported-begin##William Lester Lewis##imported-end##

Bernice, Hut, Mindy, Arne, and Michele, It's been so many years looking for the smile across the way when I visit Lakeview will be hard. I will never forget the first time I met you and Floyd, Sharon and I were new to the area and a warm hand shake from a person who cared. The years with your children growing at Southside and knowing you were a couple we could see raising your sons and daughters always faithful. He was always trying to get me to lead singing and did a few times. Our heart goes out to you as you know I lost Sharon in 1991, I know the depth of your love. I remember meeting you and one of the girls on a walk down on the waterfront before his heart surgery. I saw in your eyes the love you had for him. It won't be long and we will all be together again. God bless you and keep you all.##imported-begin##Bob & Lily Hanson##imported-end##
