I want to express my condolences to Betty's family and many friends. My grandma had shared many stories about many of you over the years with me and to my pleasure, I even got to meet some of you. The last five years of her life will be the most memorable for me, she depended on me to act in her best interest and sometimes decisions had to be made that were very difficult but, because of all the love and support she and I got from all of you my dear family and friends, it made me stronger and made her feel so not alone. With that being said, I want to Thank You with all my heart! God Bless and take care. Betty's ever loving Granddaughter, ~Erica Waechter~
